

生物兵器 「 コロナウイルス発生の経過 」

2019/9月末 武漢ウイルス研究所付近で携帯の信号が数日間検知されなくなった。

衛星からの探知によれば、軍部の検問が行われ長時間続いた。

武漢市には、二か所の研究所があり生物・毒物・化学の研究をしており2006年コロラド州立大字の名誉教授杜祖健(アンソニー・トウ氏)が「D3レベル」の研究施設に現地訪問していた。

本来この施設は米・仏の設計・協力で開設され、以後米国諜報機関の監視下であり、早い段階でコロナによる混乱を知っていたと報告されている。

この武漢の「D4レベル」の施設は以後の査察で要注意との報告がある。

現地での噂では、ここで働く関係者が常時私腹を満たすために実験用に使用した豚・或いはコウモリを横流し、海鮮市場に流通したとも囁かれている。

1989年生物兵器禁止条約の創案者が2020/02月インド誌に今回の病原菌は即座に生物兵器と断言した。

しばらく経って李文亮眼科医師(34)が患者を最初めに診察、SARSに似た病気を症状が気になり、医師仲間にSNSで警鐘を発信した。

すぐ警察に呼び出され「事実でない話を広めた」として訓戒処分を受けた。

その後彼(李文亮医師)は肺炎(?)で死亡した。

その当時死亡原因は死亡欄に「すぐに焼却」と通達で指示記載。

発生源とされる、武漢海鮮市場は2/4日に軍部の女性指揮官が完全に消毒し、翌日に終了、証拠隠滅を図った。

最近国連の調査団が現地を検証している映像が流れたが意味をなさない、痕跡は残ることは無く、証拠確保は不可能だから。

また中国国内に散在する他の施設の重要書類の廃棄も同時進行でなされた。

これほどの重要な行動は一軍部将校が単独で行うことは考え難く北京筋の指示がなくては難しく習金平のの指示 は間違いない。

政府の幹部は早い段階でヒトヒト感染は当局は知っていた。だから早くからヒドロキシクロキンを飲んで予防していた。

この薬は抗マラリアに用いるし副作用も少ないと後述の閻麗夢博士の談です。

しかし総て共産党の隠蔽体質が緘口令・全国民の行動監視につ

ながる。

中国の国民はすべての行動・会話・資金の流れを監視カメラ

やネット監視のIT機器で監視されていて、一党独裁の恐怖政治が続く由縁である。

毎年、春節（旧正月）の前後が7日間の大型連休となり多くの国民が数億人で世界各国に出かけ、その際武漢市民が世界中にウイルスを意図的に拡散させた疑いがある。

中国は自国に不利な約束は守らない、犯罪・侵略・領土拡張・虐殺・臓器売買などなんでもありの犯罪国家だ。

前述のWHO香港研究員閻麗夢(香港大学公衆衛生学院「武漢肺炎ウイルス研究所員」が単身米国に亡命後語ったところによれば2019/12/31上司のレオ・ブーン(WHO)ンサルタントleo poonより極秘研究査察を命じられ、同日友人から情報を得る際友人にヒトヒト感染がすでに発生している旨聞いたそうです。

すでに多くの人が知っていたのです。

1/16上司に研究結果を報告したところ彼は中共政府のレッドラインを超えてはいけない、さもなくば私たちは消されてしまうと警告をうけたそうです。

また研究室のもう一人の上司マリク・ピーリスもすでにヒトヒト感染を知っていたそうです、上記の二名の上司はWHO関係者だ。

しかしWHOは2020/1/9と1/14にヒトヒト感染は無いと発表し多分中国寄りテドロスが隠微に加担したとか思われぬ。

そのような事情でトランプ前大統領はWHO拠出金を停止。

1/20中国はヒトヒト感染を仕方なく認め1/23に武漢の全面封鎖に踏み切った。

その後閻麗夢氏(sean lin)は4/23米国に亡命多くの証拠書類を米国に手渡したようです。

彼女によれば今回のウイルスは生物兵器であり、遺伝子の塩基配列は人間の指紋のように識別が可能で誰が創造者か、発生について証拠もあると言及している。

その後おそらく米国の証人保護に関する法律で経歴など総てを変えられ彼女が表舞台に出ることは無いと思われるが、もし登場するとすれば、コロナウイルスを初期に隠蔽して、拡散させた責任を中国に追及する時だと、そうなることを切望する。

又当初の死因欄には、中国では「すぐに焼却」書き込まれ

北朝鮮では「汚物」と呼び最近まで北朝鮮では海洋の汚染も信じられており、コロナに感染の疑いがあればすぐ殺すという措置をとっているとも。

韓国人が北朝鮮により、銃撃され死亡のニュースが報道されたが、その後の韓国人の銃殺・焼却もうなづける。

私から一言 共産主義に幻想を抱くな米国からジェノサイド(虐殺)の犯罪国家と断定された「中国に気をつけろ」といいたい。

我が国も多くの親中派の議員を筆頭に多くの恩恵を中国から得ている輩がいて、国益を損なっている。

外国ではスパイの温床となっている、孔子学院やいまだかの国と姉妹都市を結んでいる団体が多く危惧する。

中国の封鎖措置は完璧で出入り口の金属柵を溶接し、食料の有無の確認せず、放置する。

Progress of coronavirus outbreak

End of September 2019 Mobile signal detected near Wuhan Institute of Virginology for several days
It is no longer done.

According to the detection from the satellite, the military inspection was carried out and it lasted for a long time.

There are two research institutes in Wuhan City, which conduct research on biology, poisons, and chemistry.
2006 Professor Emeritus of Colorado State University Anthony Tu
Was visiting the "D3 level" research facility.

Originally this facility was opened with the design and cooperation of the United States and France, and since then the US intelligence agency

It was reported that he was under the supervision of the Corona and was aware of the confusion caused by Corona at an early stage.
It has been.

It was reported that this Wuhan "D4 level" facility needs attention in subsequent inspections.
is there.

Local rumors say that the people working here are always on their toes.
Pigs used for experiments • Or bats are circulated and distributed to the seafood market
It is also whispered.

The creator of the 1989 Biological Weapons Convention was published in the Indian magazine in February 2020.
The pathogen was immediately declared a biological weapon.

After a while, Li Wenliang, an ophthalmologist (34), first examined the patient, SARS
I was worried about the symptoms of a disease similar to that, so I sent a warning to my fellow doctors on SNS.

Immediately called by the police and admonished as "spreading a story that is not true"
Received.

After that, he (Dr. Li Wenliang) died of pneumonia (?).

At that time, the cause of death was instructed in the death column as "immediately incinerated".

The Wuhan South China Seafood Market, which is said to be the source, was announced by a female military commander on February 4th.
It was completely disinfected and finished the next day to destroy evidence.

Recently, a video of a UN research team verifying the site was shown, which means

Because there is no trace left and it is impossible to secure evidence.

At the same time, important documents of other facilities scattered in China are being discarded.
Made in line.

It is unlikely that a military officer would take such an important action alone.
It is difficult without the instructions of Beijing sources, and there is no doubt that Xi Jinping's instructions are correct.

Government officials were aware of human-to-human transmission early on.
That's why I took hydroxychloroquine from early on to prevent it.

This drug is used for antimalarial and has few side effects.
This is the story of the doctor.

However, the concealment constitution of the Communist Party has led to the password decree and the behavior monitoring of all the people.
Long.

Chinese people monitor all actions, conversations and money flows Camera

It is being monitored by IT equipment that monitors the Internet and the horror of one-party dictatorship.
It is the reason why the cure continues.

Every year, before and after the Chinese New Year (Lunar New Year), there are many 7-day long holidays.
Hundreds of millions of people go to countries around the world, and at that time Wuhan citizens are in the world
There is a suspicion that the virus was intentionally spread inside.

China does not keep promises that are disadvantageous to its own country, crime, aggression, territorial expansion

- It is a criminal nation with everything from slaughter and organ trade.

WHO Hong Kong Researcher Li-Meng Yan mentioned above (University of Hong Kong School of Public Health "Takeshi"
A member of the Han Pneumonia Virus Research Institute said after asylum in the United States alone
According to 2019/12/31 Boss Leo Boon (WHO) Nsartan
Confidential research inspection ordered by Leo poon, same day. Information from a friend
When I got a friend, I was told that a human-to-human infection had already occurred.
That's right.

Many people already knew it.

1/16 I reported the research results to my boss. He is the Chinese Communist government Red
Don't cross the line, otherwise we'll be erased
I heard that he received a warning.

Another boss in the lab, Malik Peiris, has already been infected with humans.
The above two bosses are WHO officials.

However, WHO announced that there will be no human-to-human transmission on January 9, 2020 and January 14, 2020.
Perhaps Tedros, who is closer to China, was involved in the hiding.

Under such circumstances, former President Trump suspended WHO contributions.

1/20 China unavoidably admits human-to-human infection and completely seals Wuhan on 1/23
I took a chain.

After that, Mr. En Rei (sean lin) went into exile in the United States on April 23, and many evidences were harmed.
It seems that he handed the kind to the United States.

According to her, this time is a biological weapon, and it 's a gene.
The base sequence can be identified like a human fingerprint and who created it
Persons or mention that there is evidence of the outbreak.

After that, probably all of his career, etc. under the US Witness Protection Act
It seems that she will not appear on the stage because she can be changed, but if
If it does appear, it will initially conceal the coronavirus and spread it.

When it comes time to pursue the responsibility that has been made to China, I long for it to happen.

Also, in the initial cause of death column, "Incineration immediately" is written in China.
In North Korea, it is called "dirt" and until recently, it polluted the ocean in North Korea.
It is also believed that if you suspect that the corona is infected, you should kill it immediately.
It is said that they are taking such measures.

News reports of Koreans being shot dead by North Korea
However, the Koreans were shot dead and incinerated afterwards.

A word from me Don't have an illusion of communism Genosite from the United States
"Watch out for China," which has been determined to be a criminal nation of (genocide)
I want to.

Japan also has many benefits, led by many pro-Chinese lawmakers.
There are people who are getting from, and they are damaging the national interest.

Confucius Institute, which is a hotbed for spies in foreign countries
I am worried that many organizations have sister cities with other countries.
